## HOTELS

Their rates are normally room only – breakfasts are extra, please check prices with them. All have their own shuttle bus services to UCT Middle Campus (none are within walking distance). Newlands Hotel and Vineyard Hotel are close to the Main Road where there are regular mini-bus services (which the UCT students use) along Main Road to Rondebosch – it's about 5 minutes uphill walk from there to Middle Campus.

The closest hotels are the following:

### **Hotels close to Cape Town city centre and Waterfront:**

If you would prefer to stay nearer the centre of Cape Town, or near the Waterfront, there are also City Lodge, Holiday Inn and Protea hotels very close to the Waterfront and within very easy access of the Motorway to Rondebosch and UCT (about 15 minutes' drive, against the traffic!).

More basic, but very clean and comfortable, hotel accommodation is available through either the Holiday Inn Express ([www.south-african-hotels.com/holiday-inn-express-cape-town/](http://www.south-african-hotels.com/holiday-inn-express-cape-town/)) or at the Formula One Hotels (part of Holiday Inn group, [www.hotelformula1.co.za](http://www.hotelformula1.co.za)). The rooms are small, but can sleep 3, and have private shower/toilets, TV and kettles. Light breakfast is available at a very reasonable rate. The Formula 1 hotels are situated on the Foreshore (15 minutes' drive from UCT within very easy access of motorway, train station and bus station) and at Milnerton, (close to a pleasant and safe beach and about 25 minutes' drive from the University). The Holiday Inn Express is at Century City; probably about 25 minutes' drive from Rondebosch, next to the Canal Walk shopping centre, which stays open till about 10pm. Once again, special rates will apply if you book through American Express travel and ask for the UCT rates.

## GUESTHOUSES

We have confined this list to several guesthouses in the Rondebosch, Mowbray and Observatory areas, but there are many closer to the beaches or Waterfront, if you would prefer. Some quite useful accommodation websites that you can search by area are [www.safarinow.com](http://www.safarinow.com), [www.capestay.co.za](http://www.capestay.co.za), [www.stayinsa.co.za](http://www.stayinsa.co.za), [www.bnb.co.za](http://www.bnb.co.za), and [www.travelselection.co.za](http://www.travelselection.co.za).

You will find that rates of most of the guesthouses in the Rondebosch area (slightly cheaper for double, if you are bringing a family member) which mostly include breakfast, are considerably cheaper than the hotels. Many will provide dinners, or have facilities to heat "ready-made" dinners, which can be purchased from Pick 'n Pay or Woolworths. All will have private or En-suite bathrooms.
